

TB5 SEF Practitioner

Field	Question	Answer														
ID																
id_ea_short <i>(required)</i>	Enumeration Area															
note_id_ea_short <i>(required)</i>	[id_ea_short] is not a valid EA ID. Please go back and enter the correct ID. <i>Question relevant when: \${preload_id_ea} = ""</i>															
id_ecd <i>(required)</i>	ELP	<table><tr><td></td><td>id_ecd</td><td>name</td></tr></table>		id_ecd	name											
	id_ecd	name														
id_child_elp <i>(required)</i>	Child	<table><tr><td></td><td>id_child</td><td>child_label</td></tr><tr><td></td><td>-1</td><td>Not in list</td></tr></table>		id_child	child_label		-1	Not in list								
	id_child	child_label														
	-1	Not in list														
ID > Child <i>Group relevant when: \${id_child_elp} = -1</i>																
reason_list <i>(required)</i>	If the child you are about to ask the practitioner questions about is not in the list on the previous screen, it either is not among the children who were randomly selected during the sampling process, or the sampling form has not been submitted, or you have not updated the SEF Practitioner form after you submitted the sampling form. Please ensure that you have followed the instructions for submitting the sampling form and updating the SEF Practitioner form. Only if you cannot update the form because you do not have an internet connection you are allowed to proceed after you have entered the reason why you cannot select a name from the list on the previous screen.															
child_name <i>(required)</i>	What is the child's name?															
note_id	Please confirm that you are assessing the right child. Swipe back if the information below does not match the child you are about to assess. If the information does not match but you are sure that it is the same child and some of the information below was just incorrectly captured during the sampling process, you can swipe forward. [preload_ecd_name] Phone: [preload_phone] Contact First Name: [preload_name_first] Contact Last Name: [preload_name_last] View Google Map Child Name: [preload_child_name] Gender: [preload_child_sex_label] Date of Birth: [preload_child_dob_label]															
reason_duplicate <i>(required)</i>	There is already a complete SEF Practitioner form for this child. Please double-check that this is the correct child. If you are confident that this is the correct child and you haven't asked the practitioner questions about the child yet, please capture why you think there is already a completed form before you continue. <i>Question relevant when: \${preload_status_code_sef} = 1</i>															
Practitioner details																
note_practitioner	Please ask the following details from the practitioner															
practitioner_name <i>(required)</i>	What is the first name of the practitioner?															
practitioner_surname <i>(required)</i>	What is the surname of the practitioner?
