

Kuloyo Ofanele Ukuthola Imininingwane

I-Southern Africa Labour Development Research Unit (i-SALDRU) eseNyuvesi yaseKapa iqalisa uhlolo olusha lukazwelonke i-**National Income Dynamics Study** (i-NIDS). Lolu hlolo luzocwaninga ngemininingwane yokuphila ngokuhlukile yabaseNingizimu Afrika, izakhiwo zemizi yonke nokuthi lezi ziguquke kanjani ekuhambeni kwesikhathi. Ngokuhambisana nalezi zinhloso sicela umuntu ofanele omdala emzini ukuthi aphenhule iphepha lemibuzo eliphathelene nezemizi elibuzwa ngabahlali kanye namanye amalungu omndeni. Sizobe sesicela ukuthi umhlali ngamunye ongaphezu kweminyaka eyi-15 aphenhule iphepha lemibuzo kanye nomzali noma umnakekeli ukuba aphenhule iphepha lemibuzo elifushane eliphathelene nengane ngayinye emzini. Ezinye izinto esizozibuzwa ukuthi amalungu omndeni aye kuyiphi indawo, izinga lemfundo yabo, ukuthi baqashwe kuphi, ezempilo yabo kanye namaholo, izindleko kanye nempahla esemzini. Sizolinganisa ubude babo, isisindo kanye nokushaya kwegazi kwabo bonke abahlali bese sibanikeza ikhadi elinalolu lwazi.

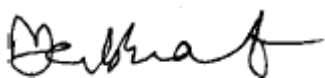

Ngo-2008 imizi esemphakathini wakho izawuba yingxenywe yemizi ecishe ibe ngama-8 000 kanye nabantu abangama-32 000 ncamashi eNingizimu Afrika yonke esizobabuzwa imibuzo. Umsebenzi wangaphandle wohlobo lweziqukela ngasekupheleni kuka-Januwari ka-2008 sizokuqhubeka kuze kube nguMeyi ka-2008. Sizokuqhubeka sixhumane nawe emuva kohlolo ngoba sizothanda ukukubuzwa imibuzo futhi esikhathini esiyiminyaka emibili kanye futhi nasesikhathini esizayo. Ukuphinde sikuvakashela kususisa ukuthi sibone ukuthi isimo sakho sokuphila siguquke kanjani ekuhambeni kwesikhathi. Uma sihlanganisa ulwazi lwakho nolweminye imizi sizokwazi ukubona ukuthi yini okusiza abaseNingizimu Afrika ukuthi baqhubekela phambili nokuthi yini okubabuyisela emuva maqondana nezomnotho.

Amazwe amaningi athuthukile nasathuthuka anezinhlobo ezinje ngoba zisiza kakhulu ekunikezeni ulwazi olusizayo ekwakhiweni kwezinqubumgomo. Kodwa, lolu uhlobo lohlobo lokuqala olunje lukazwelonke eNingizimu Afrika. Ngakho-ke loku kuyingqalabutho yento ejabulisayo nesemqoka kakhulu. Umuzi wakho ukhethwe ngokwesayensi ukuthi ube esampulini yethu yemizi. Ngakho-ke ukubamba iqhaza kwakho kusemqoka kakhulu futhi sikwazisa kakhulu.

I-Development Research Africa (i-DRA) iqokwe ukuba yenze umsebenzi wangaphandle (i-fieldwork) iwenzele i-NIDS. Phinda futhi usivumele ukuthi sisho ukuthi sizalujabulela kakhulu usizo nokubambisana nathi kwakho ukuqinisekisa ukuqedwa kwalo msebenzi wangaphandle nalolu cwaningo olusemqoka ngempumelelo.

Uma ngabe udinga ulwazi olwengeziwe ngalolu cwaningo ungaxhumana nemenenja yephrojekthi ye-NIDS, uNksz Sihaam Nieftagodien, lapha 0800 11 NIDS (6437) noma uMnu David Scott e-DRA lapha 011 807 1194 noma uvakashela iwebhusayidi ethi-: <http://www.nids.uct.ac.za>.
