

## Choosing Schools

Note: in this section, there were sometimes different questions for respondents from areas of different majority population group. The format for the section E.42a-E.64 below is not what was on the original instrument, but has been reformatted to correspond with the final data. Any instructions inserted here that are not on the original instrument appear in italics.

### Choosing Schools (African and Coloured areas)

**INTERVIEWER:** Ask everyone E.42 to E.58.

**INTERVIEWER READ OUT:** In this area, young people go to several different high schools. For each of the following schools, can you tell me whether you think it is a good school or a bad school. Sometimes people don't know how good each school is; if you don't know, please say that you don't know.

### Choosing Schools (White Areas)

Personid

Ask E.42-55

Yes

No

**INTERVIEWER:** See the box on the right to see if you need to ask E.42 to E.55.

**INTERVIEWER READ OUT:** Last time we interviewed you, you told us that you were attending or had attended

E.42a

We want to know how you think that school compares to other schools in the same area. For each of the following schools, can you tell me whether you think it is a good school or a bad school. Sometimes people don't know how good each school is; if you don't know, please say that you don't know.
