

OPSOMMING VAN DIE RESULTATE VAN
MANNEKRAGOPNAME 1984

SUMMARY OF THE RESULTS OF MANPOWER
SURVEY 1984

Hierdie opsomming gee 'n uiteensetting van die totale mannekrag (werknemers asook selfgeëmplojeerde persone) van Suidwes-Afrika per beroep soos op 29 Junie 1984 met die uitsondering van bediendes in private huishoudings, uniformpersoneel van die SWA Gebiedsmag, die SWA Polisie en die Spoorwegpolisie. Die informele sektor en die bestaansboerderysektor is ook uitgesluit.

This summary gives an exposition of the total manpower (employees as well as self-employed persons) of South West Africa per occupation as at 29 June 1984, excluding domestics in private service, uniformed personnel of the SWA Territory Force, the SWA Police and the Railway Police. The informal sector and the subsistence farming sector are also excluded.

Die opname is nie op 'n steekproefbasis onderneem nie maar sluit die werklike gegewens van ongeveer 96% van alle bestaande werkgewers buite die landbouerywerheid in en is besonderhede ten opsigte van die ander 4% geraam om 'n bykans volledige eindresultaat te verkry.

The survey was not conducted on a sample basis; instead it includes the actual data of about 96% of all existing employers, not counting agriculture, and particulars of the remaining 4% were estimated to achieve a close approximation of the real situation.

Wat die landbouerywerheid betref, sluit die opname die werklike gegewens van ongeveer 70% van werknemers in dié kategorie in en is gegewens van die ander 30% op 'n distriksbasis geraam om 'n eindresultaat wat ook baie naby aan die werklike situasie is, te verkry.

Regarding the agricultural sector, the survey includes the actual data of about 70% of employers in that category and particulars of the remaining 30% were estimated on a district basis to achieve a final result which also closely approximates the real situation.

Besonderhede oor huidige vakatures (personeeltekorte) en verwagte toename/afname in personeel oor die volgende 12 maande word ook verstrekk.

Particulars concerning present vacancies (personnel shortages) and expected increase/decrease in personnel over the next 12 months are also provided.

DIE VRAELISTE WAARMEE HIERDIE OPNAME GE-
DOEN IS, HET DIE VOLGENDE AANWYSINGS
GEHAD:

THE FOLLOWING INSTRUCTIONS WERE GIVEN
ON THE QUESTIONNAIRES USED FOR THIS
SURVEY:

1. Met "werknemers" word bedoel alle per-
sone wat op 29 JUNIE 1984 op u diens-
staat is en werk teen vergoeding in u
diens verrig. Eienaars wat in hulle eie
besighede werk, moet ook ingevul word.
Alle kinders wat nog aan verpligte
skoolbesoek onderhewig is, moet uit-
gesluit word.

L.W. - Hierdie vorm gee 'n beroeps- en
nie 'n nywerheidsindeling nie.

Behalwe waar dit anders gespesifiseer
is, moet dieselfde beroepstitels vir
gekwalfiseerde en ongekwalifiseerde
werknemers (d.i. leerlinge) gebruik
word, bv. leerlingmasjienbewerkers en
leerlingmynwerkers word as "masjienbe-
werkers" en "mynwerkers" aangedui.

2. Die vorm moet ingevul word ten opsigte
van al die aktiwiteite van die geadres-
seerde onderneming.

3. Hierdie vorm bestaan uit vier afdelings.
Vul asseblief in Afdeling A al u werk-
nemers, met uitsondering van geskoolde
ambagsmanne en vakleerlinge, in. Vir
die doel beteken "vakleerling" 'n per-
soon wat as sodanig ingeskryf is en
"geskoolde ambagsman" 'n persoon wat 'n
ambag, aangewys ingevolge die Vakleer-
linge Ordonnansie, beoefen en wat -

- (i) 'n erkende vakleerlingskap sukses-
vol deurloop het; of
- (ii) 'n vaktoets ingevolge die Vakleer-
linge Ordonnansie geslaag het; of
- (iii) Nie wetlike vakmanstatus geniet nie
dog as ambagsman werkzaam is met
minstens vyf jaar ervaring in die
betrokke ambag.

'n Ambagsman wat 'n instrukteur in 'n
werkswinkel is of wat 'n leiërwerksman
of voorman is, moet in Afdeling B inge-
vul word onder die spesifieke ambag.

1. "Employees" means all persons listed
on your establishment as at 29 JUNE
1984 and undertaking duties in your
service for pay. Owners working in
their own firms must also be entered.
All children still subject to com-
pulsory school attendance must be
excluded.

N.B. - This form provides an occupational
and not an industrial classification.

Except where otherwise specified the
same job designations must be used for
qualified and non-qualified employees
(i.e. learners) e.g. learner machinists
and learner miners should be listed as
"machinists" and "miners".

2. The form must be completed in respect
of all activities conducted by the
firm to which it is addressed.

3. This form consists of four sections.
Please list all your employees in Sec-
tion A except skilled artisans and
apprentices. For this purpose "appren-
tice" means a person who is indentured
as such and "artisan" a person who
performs a trade designated in terms
of the Apprenticeship Ordinance and
who -

- (i) has successfully completed an
apprenticeship; or
- (ii) has passed a trade test in terms
of the Apprenticeship Ordinance; or
- (iii) does not enjoy statutory artisan
status but who is employed as an
artisan and who has at least five
years experience in the trade
concerned.

An artisan who is an instructor in a
workshop or who is a chargehand or
foreman must be entered in Section B
under the appropriate trade.

Die volgende ambagsmanne moet egter in Afdeling A ingesluit word, naamlik ambagsmanne wat hoofsaaklik verkoopswerk doen - as verkoopsmanne - ambagsmanne wat werksbestuurders of administratiewe beamptes - en ambagsmanne wat instruktors aan opleidingsinrigtings is - as instruktors. Leierwerksmanne en voormanne wat nie ambagsmanne is nie, moet vanselfsprekend in Afdeling A ingesluit word.

4. Die totale van Afdeling A en B moet assebleif in Afdeling C ingevul word.
5. Deurgaans moet werknemers aangedui word teenoor die beroep waarin hulle die meeste tyd bestee en werkgewers teenoor die beroep waar hulle die meeste van hul dienstyd bestee. Dit geld ook vir eienaars wat in hulle eie besighede werk.
6. Dui asseblief ook in die kolom "Huidige personeeltekort" aan hoeveel bykomende werknemers in die verskillende beroepe u op 29 JUNIE 1984 onmiddellik en op 'n permanente basis in diens kan neem. Enige tekort wat u ondervind as gevolg van tydelike verhoogde aktiwiteite of wat u verwag as gevolg van beoogde uitbreidings, moet nie aangedui word nie.
7. In die kolom "Verwagte toename/afname in personeel" moet aangedui word die verwagte toename of afname van u werknemers gedurende die tydperk van 12 maande wat op 29 JUNIE 1984 begin.
8. Waar die afkorting "n.e.g." in die vraelys vermeld word, beteken dit "nie elders geklassifiseer".

The following artisans, however, must be included in Section A, viz., artisans whose primary duties are associated with sales work - as salesmen - those who are works managers or administrative workers - as works managers or administrative officers - and artisans who are instructors in training institutions - as instructors. Leading hands and foremen who are not artisans must be included in Section A.

4. Please enter the totals of Section A and B in Section C.
5. Throughout this form employees must be entered according to the occupation in which they spend most of their time and employers must be entered in the occupation where they spend most of their service time. This also applies to owners working in their own firms.
6. Please also indicate in the column "Present personnel shortage" how many additional employees in the various occupations you may be able to offer immediate employment on a permanent basis on 29 JUNE 1984. Any labour shortage that you may have due to temporary increased activities or that you may anticipate in view of proposed expansions must not be shown.
7. In the column "Expected increase/decrease in personnel" must be indicated the expected increase or decrease in the number of your employees during the period of 12 months commencing on 29 JUNE 1984.
8. Where the abbreviation "n.e.c." is mentioned in the questionnaire it means "not elsewhere classified."
