

VERSLAG NO. 02-01-01 (1987)

MANNEKRAGOPNAME NO. 17

1987

BEROEPSGEGEWENS

REPORT NO. 02-01-01 (1987)

MANPOWER SURVEY NO. 17

1987

OCCUPATIONAL INFORMATION

VOORWOORD

Aan die begin van 1987 het die Sentrale Statistiekdiens verantwoordelikheid vir die Mannekragopname, wat vroeër deur die Departement van Mannekrag onderneem is, aanvaar. Gevolglik is Mannekragopname No 17, wat betrekking het op 24 April 1987, deur die Sentrale Statistiekdiens onderneem. Die steekproef- en verheffingstechnieke wat met die opneem en verwerking van hierdie opname aangevend is, stem ooreen met dié wat die Sentrale Statistiekdiens gewoonlik gebruik vir steekproefopnames en mag verskil van dié wat in die verlede by die opneem van die Mannekragopnames toegepas is.

Hierdie is die eerste van twee verslae wat die resultate van Mannekragopname No. 17 bevat en toon gedetailleerde inligting van beroepe vir die Republiek van Suid-Afrika in sy geheel. Die verslag bevat ook inligting oor die totale personeelsterkte en vakatures volgens hoofberoepsgroepe, hoofnywerheidsafdelings, nywerheidsgroepe en geselekteerde individuele beroepe. Die tweede verslag bevat gedetailleerde inligting van beroepe binne elke hoofafdeling van die Standaardnywerheidsklassifikasie van alle Ekonomiese Bedrywighede.

Die Mannekragopname sal voortaan jaarliks onderneem word, terwyl die minimannekragopnames wat voorheen op 'n jaarlikse grondslag plaasgevind het, vanaf 1987 gestaak is.

PREFACE

At the beginning of 1987 the Central Statistical Service accepted responsibility for the Manpower Survey that was previously undertaken by the Department of Manpower. Manpower Survey No 17, which refers to 24 April 1987, was consequently undertaken by the Central Statistical Service. The sampling and raising techniques employed with the taking and processing of the survey, corresponds to those usually employed by the Central Statistical Service in sample surveys and may differ from those that were employed with past Manpower Surveys.

This is the first of two reports that contain the results of Manpower Survey No. 17 and contains detailed information on occupations for the Republic of South Africa as a whole. The report also contains information on the total personnel strength and vacancies according to the main occupational groups, the major industrial divisions, the industrial groups and selected individual occupations. The second report contains detailed information on occupations in each main division of the Standard Industrial Classification of all Economic Activities.

The Manpower surveys will henceforth be undertaken annually while the mini-manpower survey which was previously undertaken on an annual basis, has been discontinued since 1987.

HOOF: SENTRALE STATISTIEKDIENS
HEAD: CENTRAL STATISTICAL SERVICE

VERDUIDELIKENDE OPMERKINGS

1. OMVANG VAN DIE OPNAME

- 1.1 Die opname sluit ondernemings in die private sektor sowel as instellings in die openbare sektor in die Republiek van Suid-Afrika in.
- 1.2 Huisbediendes en tuinjongens in diens van privaathuishoudings sowel as landbouwerkers is uitgesluit.
- 1.3 Gegevens van die TBVC-state is eweneens uitgesluit.

2. STEEKPROEF

- 2.1 Die opname het nie alle ondernemings ingesluit nie, maar is met behulp van steekproewe onderneem. 'n Gestratifiseerde sistematiese steekproefmetode is vir die kies van die steekproewe gebruik. Die omgekeerde van die steekproefverhoudings is gebruik om die totale aantal werkers asook die getal werkers in die onderskeie beroepe te raam.

3. VERGELYKBAARHEID MET VORIGE OPNAMES

- 3.1 Die beroepsindeling wat in hierdie verslag gebruik is, stem ooreen met dié wat gebruik is as grondslag vir Mannekragopname No. 16 sodat die resultaat van die twee opnames vergelykbaar is.
- 3.2 Waar die getal werkers wat in 'n bepaalde beroep getoon word egter verskil van dié wat voorheen getoon is, is dit by wyse van navrae bevestig.

4. BEGRIPE WAT GEBRUIK WORD

4.1 WERKNEMERS

- 4.1.1 Werknemers sluit in alle persone wat op 24 April 1987 op die diensstaat van die onderskeie ondernemings en instellings was en werk teen vergoeding in hul diens verrig het. Eienaars wat in hul eie besighede gewerk het, is ook ingesluit terwyl kinders wat aan verpligte skoolbesoek onderhewig was, uitgesluit is.
- 4.1.2 Werkgevers en werknemers is aangedui teenoor die beroep waarin hulle die meeste van hul tyd bestee.

4.2 BEROEPSINDELING

- 4.2.1 Verskeie faktore is in ag geneem met die indeling van werknemers onder die verskillende beroepe. Alhoewel die soort werk wat verrig word as uitgangspunt gebruik is, is daar in sommige gevalle ook gelet op die opleiding wat 'n spesifieke beroep vereis.
- 4.2.2 Behalwe waar dit anders gespesifiseer is, is dieselfde beroepsbeskrywing vir gekwalifiseerde en nie-gekwalifiseerde werkers (dit is leerlinge) in 'n bepaalde beroep gebruik. Leerlingmasjienwerkers en leerlingmynwerkers word byvoorbeeld as masjienwerkers en mynwerkers getoon.

4.3 PROFESSIONELE EN TEGNIESE BEROEPE

- 4.3.1 Professionele, semi-professionele en tegniese beroepe is beroepe waarvoor normaalweg tersiêre onderwyskwalifikasies vereis word.

4.4 GESKOOLDE AMBAGSMANNE

- 'n erkende vakleerlingskap suksesvol deurloop het; of
 - in 'n vakttoets ingevolge die Wet op Mannekragopleiding geslaag het; of
 - in besit is van 'n sertifikaat uitgereik deur die Registrateur van Mannekragopleiding waarin die houër vakmanstatus verleen word, of
 - nie wetlike vakmanstatus geniet nie dog as ambagsmanne werksaam is en minstens vyf jaar ondervinding in die betrokke ambag het. (Hierdie klousule maak veral voorsiening vir persone op plattelandse gebiede waar die Wet op Mannekragopleiding nie van toepassing is of was nie, sodat die betrokke persone nie opleidingsgeleenthede gehad het nie, maar tog wel die werk van ambagsmanne verrig).
- 4.4.2 'n Ambagsman wat 'n instrukteur in 'n werkswinkel is, of wat 'n leierhand of voorman is, is as ambagsmanne getoon.
 - 4.4.3 Die volgende ambagsmanne is egter as alle werkers met uitsondering van ambagsmanne en vakleerlinge, getoon:
Ambagsmanne wat hoofsaaklik verkoopswerk doen - as verkoopsmanne; ambagsmanne wat werksbestuurders of administratiewe beamptes is - as werksbestuurders of administratiewe beamptes; en ambagsmanne wat instrukteurs aan opleidingsinrigtings is - as instrukteurs. Leierhande en voormanne wat nie ambagsmanne is nie, is onder alle werkers met uitsondering van ambagsmanne en vakleerlinge, getoon.

4.5 HUIDIGE VAKATURES

- 4.5.1 Met huidige vakatures word bedoel hoeveel bykomende werknemers in die verskillende beroepe op 24 April 1987 onmiddellik in diens geneem kon word. Enige tekorte wat verwag is as gevolg van beoogde uitbreidings, is nie by die "huidige vakature" kolom aangedui nie.

4.6 TOTALE VERWAGTE AANTAL POSTE

- 4.6.1 In die laaste kolom word die totale verwagte aantal poste, dit wil sê, die verwagte personeelsterkte soos op 24 April 1988 plus die verwagte aantal vakatures per beroep soos op 24 April 1988 aangedui.

5. AFKORTINGS GEBRUIK

PROF = Professioneel
PR. ING. = Professionele Ingenieur
ENS = Ensovoorts
N.E.G. = Nie elders geklassifiseer
T. = Totaal
M. = Manlik
V. = Vroulik
BV. = Byvoorbeeld
S.A.P. = Suid-Afrikaanse Polisie
S.A. VERVOERDIENSTE = Suid-Afrikaanse Vervoerdienste

EXPLANATORY NOTES

1. **RANGE OF THE SURVEY**
 - 1.1 The survey includes enterprises in the private sector, as well as institutions in the public sector in the Republic of South Africa.
 - 1.2 Domestic servants and garden boys employed by private households as well as agricultural workers are excluded.
 - 1.3 Information of the TBVC states is also excluded.
2. **SAMPLE**
 - 2.1 The survey did not include all enterprises, but was undertaken by means of samples. A stratified systematic sample design was used for the choice of the samples. The inverse of the sample ratios was used to estimate the total labour-force as well as the number of workers in the different occupations.
3. **COMPARABILITY WITH PREVIOUS SURVEYS**
 - 3.1 The grouping of occupations used in this report agrees with that used as basis for Manpower Survey No. 16 so that the results of the two surveys are comparable.
 - 3.2 Where the number of workers shown in a certain occupation, differs from that previously shown, it was confirmed by means of enquiries.
4. **CONCEPTS THAT ARE USED**
 - 4.1 **EMPLOYEES**
 - 4.1.1 Employees include all persons who, on 24 April 1987 were on the establishment records of the different enterprises and institutions, and who undertook duties in their service for pay. Owners who worked in their own firms are also included, while children that were still subject to compulsory school attendance, are excluded.
 - 4.1.2 Employers and employees are shown against the occupation in which they spent most of their time.
 - 4.2 **GROUPING OF OCCUPATIONS**
 - 4.2.1 Various factors were taken into consideration with the grouping of employees under the different occupations. Although the type of work done is used as a basis, attention is also, in certain cases, given to the training required for a specific occupation.
 - 4.2.2 Except where otherwise specified, the same job description is used for qualified and non-qualified workers (i.e. learners) in a certain occupation. For example, learner machinists and learner miners are listed as machinists and miners.
 - 4.3 **PROFESSIONAL AND TECHNICAL OCCUPATIONS**
 - 4.3.1 Professional, semi-professional and technical occupations normally require tertiary educational qualifications.
 - 4.4 **SKILLED ARTISANS**
 - 4.4.1 Skilled artisans are persons who practise trades designated in terms of the Act on Manpower Training and who
 - have successfully completed a recognised apprenticeship; or
 - have passed a trade test in terms of the Manpower Training Act; or
 - are in possession of a certificate issued by the Registrar of Manpower Training according to artisan status to the holder; or
 - do not enjoy statutory status as artisans but are engaged in work as artisans and have had at least five years' experience in the trade concerned. (This clause makes special provision for persons in rural areas where the Manpower Training Act is not or has not been applicable, with the result that the persons did not have the opportunity of artisan training but nevertheless do the work of artisans).
 - 4.4.2 An artisan who is an instructor in a workshop, or who is a leading or chargehand or a foreman, is shown under artisans.
 - 4.4.3 The following artisans, however, are shown under all workers except artisans and apprentices:
Artisans whose primary duties are associated with sales work - as salesmen; those who are works managers or who hold administrative office - as works managers or administrative workers; and artisans who are instructors in training institutions - as instructors. Leading hands and foremen who are not artisans are shown under all workers except artisans and apprentices.
 - 4.5 **PRESENT VACANCIES**
 - 4.5.1 With present vacancies is meant the number of additional workers to whom immediate employment could be afforded in the different occupations on 24 April 1987. Any labour shortages anticipated as a consequence of proposed expansion are not shown in the "present vacancies" column.
 - 4.6 **TOTAL NUMBER OF EXPECTED POSTS**
 - 4.6.1 In the last column the total number of expected posts, i.e., the expected personnel strength on 24 April 1988, plus the vacancies expected on 24 April 1988, are indicated per occupation.

VERSLAG NO. 02-01-02 (1987)

MANNEKRAGOPNAME NO. 17

1987

BEROEPE VOLGENS HOOFDWERKAFDELING

REPORT NO. 02-01-02 (1987)

MANPOWER SURVEY NO. 17

1987

OCCUPATIONS BY MAJOR INDUSTRIAL DIVISION

VOORWOORD

Aan die begin van 1987 het die Sentrale Statistiekdiens verantwoordelikheid vir die Mannekragopname, wat vroeër deur die Departement van Mannekrag onderneem is, aanvaar. Gevolglik is Mannekragopname No 17, wat betrekking het op 24 April 1987, deur die Sentrale Statistiekdiens onderneem. Die steekproef- en verheffingstechnieke wat met die opneem en verwerking van hierdie opname aangewend is, stem ooreen met dié wat die Sentrale Statistiekdiens gewoonlik gebruik vir steekproefopnames en mag verskil van dié wat in die verlede by die opneem van die Mannekragopnames toegepas is.

Hierdie is die tweede van twee versies wat die resultate van Mannekragopname No. 17 bevat en toon gedetailleerde inligting oor beroepe vir die Republiek van Suid-Afrika as geheel en ook gedetailleerde inligting binne elke hoofafdeling van die Standaardnywerheidsklassifikasie van alle Ekonomiese Bedrywighede. Die eerste verslag bevat gegevens oor die totale personeelsterkte en vakatures volgens hoofberoepsgroepe, hoofnywerheidsafdelings, nywerheidsgroepe en geselekteerde individuele beroepe.

Die Mannekragopname sal voortaan jaarliks onderneem word, terwyl die minimannekragopnames wat voorheen op 'n jaarlikse grondslag plaasgevind het, vanaf 1987 gestaak is.

PREFACE

At the beginning of 1987 the Central Statistical Service accepted responsibility for the Manpower Survey that was previously undertaken by the Department of Manpower. Manpower Survey No 17, which refers to 24 April 1987, was consequently undertaken by the Central Statistical Service. The sampling and raising techniques employed with the taking and processing of the survey, corresponds to those usually employed by the Central Statistical Service in sample surveys and may differ from those that were employed with past Manpower Surveys.

This is the second of two reports that contain the results of Manpower Survey No. 17 and shows detailed information on occupations for the Republic of South Africa as a whole as well as detailed information in each main division of the Standard Industrial Classification of all Economic Activities. The first report contains information on the total personnel strength and vacancies according to the main occupational groups, the major industrial divisions, the industrial groups as well as selected individual occupations.

The Manpower Survey will henceforth be undertaken annually while the mini-manpower survey which was previously undertaken on an annual basis, has been discontinued since 1987.

HOOF: SENTRALE STATISTIEKDIENS
HEAD: CENTRAL STATISTICAL SERVICE

PRETORIA

29 APRIL 1988

VERDUIDELIKENDE OPMERKINGS

1. OMVANG VAN DIE OPNAME

- 1.1 Die opname sluit ondernemings in die private sektor sowel as instellings in die openbare sektor in die Republiek van Suid-Afrika in.
- 1.2 Huisbedienendes en tuinjongens in diens van privaathuishoudings sowel as landbouwerkers is uitgesluit.
- 1.3 Gegevens van die TBVC-state is eveneens uitgesluit.

2. STEEKPROEF

- 2.1 Die opname het nie alle ondernemings ingesluit nie, maar is met behulp van steekproewe onderneem. 'n Gestratifiseerde sistematiese steekproefmetode is vir die kies van die steekproewe gebruik. Die omgekeerde van die steekproefverhoudings is gebruik om die totale aantal werkers asook die getal werkers in die onderskeie beroepe te raam.

3. VERGELYKBAARHEID MET VORIGE OPNAMES

- 3.1 Die beroepsindeling wat in hierdie verslag gebruik is, stem ooreen met dié wat gebruik is as grondslag vir Mannekragopname No. 16 sodat die resultaat van die twee opnames vergelykbaar is.
- 3.2 Waar die getal werkers wat in 'n bepaalde beroep getoon word egter verskil van dié wat voorheen getoon is, is dit by wyse van navrae bevestig.

4. BEGRIPE WAT GEBRUIK WORD

4.1 WERKNEMERS

- 4.1.1 Werknemers sluit in alle persone wat op 24 April 1987 op die diensstaat van die onderskeie ondernemings en instellings was en verk teen vergoeding in hul diens verrig het. Eienaars wat in hul eie besighede gewerk het, is ook ingesluit terwyl kinders wat aan verpligte skoolbesoek onderhevig was, uitgesluit is.
- 4.1.2 Werkgevers en werknemers is aangedui teenoor die beroep waarin hulle die meeste van hul tyd bestee.

4.2 BEROEPSINDELING

- 4.2.1 Verskeie faktore is in ag geneem met die indeling van werknemers onder die verskillende beroepe. Alhoewel die soort werk wat verrig word as uitgangspunt gebruik is, is daar in sommige gevalle ook gelet op die opleiding wat 'n spesifieke beroep vereis.
- 4.2.2 Behalwe waar dit anders gespesifiseer is, is dieselfde beroepsbeskrywing vir gekwalifiseerde en nie-gekwalifiseerde werkers (dit is leerlinge) in 'n bepaalde beroep gebruik. Leerlingmasjienwerkers en leerlingmynwerkers word byvoorbeeld as masjienwerkers en mynwerkers getoon.

4.3 PROFESSIONELE EN TEGNIESE BEROEPE

- 4.3.1 Professionele, semi-professionele en tegniese beroepe is beroepe waarvoor normaalweg tersiêre onderwyskwalifikasies vereis word.

4.4 GESKOOLDE AMBAGSMANNE

- 'n erkende vakleerlingskap suksesvol deurloop het; of
 - in 'n vaktoets ingevolge die Wet op Mannekragopleiding geslaag het; of
 - in besit is van 'n sertifikaat uitgereik deur die Registrateur van Mannekragopleiding waarin die houer vakmanstatus verleen word, of
 - nie wetlike vakmanstatus geniet nie dog as ambagsmanne werksaam is en minstens vyf jaar ondervinding in die betrokke ambag het. (Hierdie klousule maak veral voorsiening vir persone op plattelandse gebiede waar die Wet op Mannekragopleiding nie van toepassing is of was nie, sodat die betrokke persone nie opleidingsgeleenthede gehad het nie, maar tog wel die werk van ambagsmanne verrig).
- 4.4.2 'n Ambagsman wat 'n instrukteur in 'n werkswinkel is, of wat 'n leierhand of voorman is, is as ambagsmanne getoon.
 - 4.4.3 Die volgende ambagsmanne is egter as alle werkers met uitsondering van ambagsmanne en vakleerlinge getoon:
Ambagsmanne wat hoofsaaklik verkoopswerk doen - as verkoopsmanne; ambagsmanne wat werksbestuurders of administratiewe beamptes is - as werksbestuurders of administratiewe beamptes; en ambagsmanne wat instrukteurs aan opleidingsinrigtings is - as instrukteurs. Leierhande en voormanne wat nie ambagsmanne is nie, is onder alle werkers met uitsondering van ambagsmanne en vakleerlinge getoon.

4.5 HUIDIGE VAKATURES

- 4.5.1 Met huidige vakatures word bedoel hoeveel bykomende werknemers in die verskillende beroepe op 24 April 1987 onmiddellik in diens geneem kon word. Enige tekorte wat verwag is as gevolg van beoogde uitbreidings, is nie by die "huidige vakature" kolom aangedui nie.

4.6 TOTALE VERWAGTE AANTAL POSTE

- 4.6.1 In die laaste kolom word die totale verwagte aantal poste, dit wil sê, die verwagte personeelsterkte soos op 24 April 1988 plus die verwagte aantal vakatures per beroep soos op 24 April 1988 aangedui.

5. AFTORTINGS GEBRUIK

PROF. = Professioneel
PR. ING. = Professionele Ingenieur
ENS. = Ensovoorts
N.E.G. = Nie elders geklassifiseer
T. = Totaal
M. = Manlik
V. = Vroulik
BV. = Byvoorbeeld
S.A.P. = Suid-Afrikaanse Polisie
S.A. VERVOERDIENSTE = Suid-Afrikaanse Vervoerdienste

EXPLANATORY NOTES

1. RANGE OF THE SURVEY

- 1.1 The survey includes enterprises in the private sector, as well as institutions in the public sector in the Republic of South Africa.
- 1.2 Domestic servants and garden boys employed by private households as well as agricultural workers are excluded.
- 1.3 Information of the TBVC states is also excluded.

2. SAMPLE

- 2.1 The survey did not include all enterprises, but was undertaken by means of samples. A stratified systematic sample design was used for the choice of the samples. The inverse of the sample ratios was used to estimate the total labour-force as well as the number of workers in the different occupations.

3. COMPARABILITY WITH PREVIOUS SURVEYS

- 3.1 The grouping of occupations used in this report agrees with that used as basis for Manpower Survey No. 16 so that the results of the two surveys are comparable.
- 3.2 Where the number of workers shown in a certain occupation, differs from that previously shown, it was confirmed by means of enquiries.

4. CONCEPTS THAT ARE USED

4.1 EMPLOYEES

- 4.1.1 Employees include all persons who, on 24 April 1987 were on the establishment records of the different enterprises and institutions, and who undertook duties in their service for pay. Owners who worked in their own firms are also included, while children that were still subject to compulsory school attendance are excluded.
- 4.1.2 Employers and employees are shown against the occupation in which they spent most of their time.

4.2 GROUPING OF OCCUPATIONS

- 4.2.1 Various factors were taken into consideration with the grouping of employees under the different occupations. Although the type of work done is used as a basis, attention is also, in certain cases, given to the training required for a specific occupation.
- 4.2.2 Except where otherwise specified, the same job description is used for qualified and non-qualified workers (i.e. learners) in a certain occupation. For example, learner machinists and learner miners are listed as machinists and miners.

4.3 PROFESSIONAL AND TECHNICAL OCCUPATIONS

- 4.3.1 Professional, semi-professional and technical occupations normally require tertiary educational qualifications.

4.4 SKILLED ARTISANS

- 4.4.1 Skilled artisans are persons who practise trades designated in terms of the Act on Manpower Training and who
 - have successfully completed a recognised apprenticeship; or
 - have passed a trade test in terms of the Manpower Training Act; or
 - are in possession of a certificate issued by the Registrar of Manpower Training according to artisan status to the holder; or
 - do not enjoy statutory status as artisans but are engaged in work as artisans and have had at least five year's experience in the trade concerned. (This clause makes special provision for persons in rural areas where the Manpower Training Act is not or has not been applicable, with the result that the persons did not have the opportunity of artisan training but nevertheless do the work of artisans).
- 4.4.2 An artisan who is an instructor in a workshop, or who is a leading or chargehand or a foreman, is shown under artisans.
- 4.4.3 The following artisans, however, are shown under all workers except artisans and apprentices:

Artisans whose primary duties are associated with sales work - as salesmen; those who are works managers or who hold administrative office - as works managers or administrative workers; and artisans who are instructors in training institutions - as instructors. Leading hands and foremen who are not artisans are shown under all workers except artisans and apprentices.

4.5 PRESENT VACANCIES

- 4.5.1 With present vacancies is meant the number of additional workers to whom immediate employment could be afforded in the different occupations on 24 April 1987. Any labour shortages anticipated as a consequence of proposed expansion are not shown in the "present vacancies" column.

4.6 TOTAL NUMBER OF EXPECTED POSTS

- 4.6.1 In the last column the total number of expected posts, i.e., the expected personnel strength on 24 April 1988, plus the vacancies expected on 24 April 1988, are indicated per occupation.

5. ABBREVIATIONS USED

PROF.	=	Professional
PR. ENG.	=	Professional engineer
ETC.	=	Et cetera
N.E.C.	=	Not elsewhere classified
T.	=	Total
M.	=	Male
F.	=	Female
E.G.	=	Example
S.A.P.	=	South African Police
S.A. TRANSPORT	=	South African Transport Service

Geagte Meneer/Mevrou/Mejuffrou

Dear Sir/Madam

MANNEKRAGOPNAME NO. 17
24 APRIL 1987

MANPOWER SURVEY NO. 17
24 APRIL 1987

1. Die Sentrale Statistiekdiens onderneem vanaf 1987, net soos wat vroeër deur die Departement van Mannekrag gedoen is, die Mannekragopname elke tweede jaar en die Minimannekragopname op 'n jaarlikse grondslag om die openbare en private sektor van beroepsgegewens van die werkerskorps en die verwante vakatu-rekoerse te voorsien.
 2. Die waarde van hierdie statistieke is afhanklik van die ty-dige vrystelling van die resultate. Geliewe derhalwe u op-gawe sonder versuim in te dien, en in ieder geval nie later nie as die KEERDATUM, naamlik 29 MEI 1987.
 3. Die vraelys word in tweevoud verskaf en dit sal waardeer word indien u hierdie dokumente sal invul en een afskrif aan die Sen-trale Statistiekdiens sal terugstuur. Vir versendingsdoeleindes is 'n geadresseerde amptelike koefert aangeheg. Die ander afskrif moet asseblief vir verwysingsdoeleindes bewaar word.
 4. Lees asseblief die verduidelikende opmerkings asook die opmer-kings ten opsigte van die verskillende afdelings, maar indien u sou twyfel oor enige van die vereistes moet u asseblief nie huiwer om onmiddellik met die Sentrale Statistiekdiens in verbinding te tree nie.
 5. Hierdie statistieke word versamel ooreenkomstig regulasies uit-gevaardig kragtens artikel 17 van die Wet op Statistieke, 1976 (Wet no. 66 van 1976).
1. The Central Statistical Service undertakes as from 1987, as was previously undertaken by the Department of Manpower, the Man-power survey every other year and the Mini manpower survey on an annual basis to provide the public and private sector of occu-pational data of the workers corps and the relative vacancy rates.
 2. The value of these statistics is dependent upon the time-ous release of the results. You are therefore requested to submit your return without delay and in any case not later than the DUE DATE, namely 29 MAY 1987.
 3. The questionnaire is supplied in duplicate and it will be appre-ciated if you will complete these documents and return one copy to the Central Statistical Service. An addressed official envelope is attached for postal purposes. The other copy should be kept for reference purposes.
 4. Please read the explanatory notes as well as the notes in respect of the various sections, but should you be in doubt as to any of the requirements, please do not hesitate to contact the Central Statistical Service immediately.
 5. These statistics are collected in terms of regulations promulgated under section 17 of the Statistics Act, 1976 (Act no. 66 of 1976).

6. U opgawe sal as streng vertroulik behandel word ooreenkomstig die geheimhoudingsbepaling van die Wet op Statistieke. Die inhoud van individuele opgawes sal aan geen private persoon, organisasie of Staatsdepartement beskikbaar gestel word nie. Die resultate sal op so 'n wyse gepubliseer word dat daar verseker word dat die gegewens in u opgawe vertroulik bly. Verder is geen inskrywing in die opgawe toelaatbaar in enige regsgeding nie, uitgesonderd in die geval van 'n oortreding teen die Wet op Statistieke.
7. Met die oog op die belangrikheid van hierdie opname sal u samewerking betreffende die invul en indiening van die opgawe voor die keurdatum, waardeur word.

Die uwe

HOOF: SENTRALE STATISTIEKDIENS

6. Your return will be treated as strictly confidential in compliance with the secrecy provision of the Statistics Act. The contents of individual returns will not be divulged to any private person, organisation or Government Department. The results will be published in such a way as to ensure the confidential nature of the data contained in individual returns. Furthermore, no entry in the return shall be admissible in any legal proceedings except in the case of an offence under the Statistics Act.
7. In view of the importance of this survey, your co-operation as regards the completion and submission of the return before the return date will be appreciated.

Yours faithfully

AFDELING 4

Totale aantal werkers in die onderneming..... 35

LEES HIERDIE OPMERKINGS ASB. NOUKEURIG VOORDAT U DIE VRAELYS INVUL

1. Met "werknemers" word bedoel alle persone wat op 24 April 1987 op u diensstaat is en werk teen vergoeding in u diens verrig. *Eienaars wat in hulle eie besighede werk, moet ook ingevul word. Alle kinders wat nog aan verpligte skoolbesoek onderhewig is, moet uitgesluit word.*

L.W.—Hierdie vraelys gee 'n beroeps- en nie 'n nywerheidsindeling nie.

Behalwe waar dit anders gespesifiseer is, moet dieselfde beroepstels vir gekwalifiseerde en nie-gekwalifiseerde werknemers (d.i. leerlinge) gebruik word, bv. leerlingmasjienwerkers en leerlingmynwerkers word as "masjienwerkers" en "mynwerkers" aangedui.

2. Dit kan gebeur dat slegs 'n tak of afdeling of 'n gedeelte van die aktiwiteite van 'n onderneming in die opname betrek word.

(a) Indien daar in u adres of daaronder 'n verwysing na 'n spesifieke vertakking van u werksaamhede is (selfs met 'n ander adres) dan moet die vraelys slegs t.o.v. daardie vertakking ingevul word.

(b) In alle gevalle waar daar geen verwysing na 'n vertakking soos in (a) hierbo aangedui, verskyn nie, moet die vorm ingevul word t.o.v. al die aktiwiteite van die geadresseerde onderneming. Gaan asseblief die voorbeelde hieronder na om vas te stel wat presies op u van toepassing is.

Voorbeelde soos vir 2 (a)—

- (i) H. S. J. Janse
Ultrastraat 2
Kaapstad
8001
Vervoerkontraakteur, H.K.

Vul vraelys in t.o.v. die hoofkantoorpersoneel te Ultrastraat 2. Enige takke wat mnr. Janse by dieselfde adres of ander adresse mag hê, word uitgesluit.

- (ii) W. J. Horn & Kie.
Wesstraat 4
Port Elizabeth
6001
Prokureurs, Kerkstraat, Uitenhage.

Vul vraelys in slegs t.o.v. die tak te Uitenhage.

SECTION 4

Total number of workers in the establishment..... 35

PLEASE READ THESE REMARKS CAREFULLY BEFORE COMPLETING THE QUESTIONNAIRE

1. By "employees" is meant all persons listed on your establishment records as at 24 April 1987 and undertaking duties in your service for pay. *Owners working in their own firms must also be entered. All children still subject to compulsory school attendance, must be excluded.*

N.B.—This questionnaire provides an occupational and not an industrial classification.

Except where otherwise specified the same job designations should be used for qualified and non-qualified workers (i.e. learners), e.g. learner machinists and learner miners should be listed as "Machinists" and "Miners".

2. It is possible that only a branch or section or portion of the activities of an undertaking is included.

(a) If there is a reference in your address or just below it to a specific branch of your activities (even with another address) the questionnaire must be completed for that section only.

(b) In all cases where no reference is made to a specific section as in (a) above, the form must be completed in respect of all activities conducted by the firm to which it is addressed. Please scrutinise the examples given below in order to determine exactly what is applicable to you.

Examples as per 2 (a) above—

- (i) H. S. J. Janse
2 Ultra Street
Cape Town
8001
Cartage Contractor, H.O.

Complete the questionnaire in respect of head office personnel at 2 Ultra Street. Any branches possibly belonging to Mr Janse at the same or any other address are excluded.

- (ii) W. J. Horn & Co.
4 West Street
Port Elizabeth
6001
Attorneys, Church Street, Uitenhage.

Complete questionnaire in respect of the branch at Uitenhage only.

(iii) A. B. C. Bank
Kerkplein
Pretoria
2001
H.K. en alle takke.

Vul vraelys in vir hoofkantoor en alle takke.

Voorbeeld soos vir 2 (b)—

10-27-107-0516-5.
Atlas Skoenreparasies
Posbus 40
Rustenburg
0300
05-943-68-1-1-6

Vul vraelys in t.o.v. al die aktiwiteite van die geadresseerde onderneming.

3. Hierdie vraelys bestaan uit vier afdelings. Vul asseblief in Afdeling 1 al u werknemers in met uitsondering van geskoolde ambagsmanne wat in Afdeling 2 en vakleerlinge wat in Afdeling 3 ingevul word.

Professionele en tegniese beroepe vereis tersiêre onderwyskwalifikasies.

Geskoolde ambagsmanne is persone wat ambagte, aangewys ingevolge die Wet op Mannekragopleiding, beoefen en wat—

- (i) 'n erkende vakleerlingskap suksesvol deurloop het; of
- (ii) in 'n vaktoets ingevolge die Wet op Mannekragopleiding geslaag het; of
- (iii) in besit is van 'n sertifikaat van die Registrateur van Mannekragopleiding waarin die houer vakmanstatus verleen word; of
- (iv) nie wetlike vakmanstatus geniet nie dog as ambagsmanne werksaam is en minstens vyf jaar ondervinding in die betrokke ambag het. (Hierdie klousule maak veral voorsiening vir persone op plattelandse gebiede waar die Wet op Mannekragopleiding nie van toepassing is of was nie, sodat die betrokke persone nie opleidingsgeleenthede gehad het nie, maar tog wel die werk van ambagsmanne verrig.)

'n Ambagsman wat 'n instrukteur in 'n werkwinkel is, of wat 'n leierhand of voorman is, moet in Afdeling 2 ingevul word onder die spesifieke ambag.

Die volgende ambagsmanne moet egter in Afdeling 1 ingesluit word, nl. ambagsmanne wat hoofsaaklik verkoopswerk doen—as verkoopsmanne—ambagsmanne wat werksbestuurders of administratiewe beamptes is—as werksbestuurders of administratiewe beamptes en ambagsmanne wat instrukteurs aan opleidingsinrigtings is—as instrukteurs. Leierhande en voormanne wat nie ambagsmanne is nie, moet vanselfsprekend in Afdeling 1 ingesluit word.

4. Die totale van Afdelings 1, 2 en 3 moet asseblief in Afdeling 4 ingevul word.

5. Deurgaans moet werknemers aangedui word teenoor die beroep waarin hulle die meeste tyd bestee en werkgewers teenoor die beroep waar hulle die meeste van hulle werktyd bestee. Dit geld ook vir eienaars wat in hulle eie besighede werk.

6. Met die huidige vakatures word bedoel hoeveel bykomende werknemers in die verskillende beroepe u op 24 April 1987 onmiddellik in diens kan neem. Enige tekorte wat u verwag as gevolg van beoogde uitbreidings, moet nie by die "huidige vakature"-kolom aangedui word nie.

7. In die laaste kolom moet die totale verwagte aantal poste, dit wil sê, die verwagte personeelsterkte soos op 24 April 1988 plus die verwagte aantal vakatures per beroep soos op 24 April 1988, aangedui word.

8. Waar die afkorting n.e.g. in die vorm vermeld word beteken dit "nie elders geklassifiseer".

(iii) A. B. C. Bank
Church Square
Pretoria
2001
H.O. and all branches.

Complete one questionnaire in respect of head office and all branches.

Example as per 2 (b) above—

10-27-107-0516-5.
Atlas Shoe Repairs
P.O. Box 40
Rustenburg
0300
05-943-68-1-1-6

Complete questionnaire in respect of all activities conducted by the firm to which it is addressed.

3. This questionnaire consists of four sections. Please list all your employees in Section 1 except skilled artisans and apprentices. In Section 2 fill in only skilled artisans and in Section 3 fill in only apprentices.

Professional and technical occupations require tertiary education qualifications.

Skilled artisans are persons who practise trades designated in terms of the Act on Manpower Training, and who—

- (i) have successfully completed a recognised apprenticeship; or
- (ii) have passed a trade test in terms of the Manpower Training Act; or
- (iii) are in possession of a certificate by the Registrar of Manpower Training according to artisan status to the holder; or
- (iv) do not enjoy statutory status as artisans but are engaged in work as artisans and have had at least five year's experience in the trade concerned. (This clause makes special provision for persons in rural areas where the Manpower Training Act is not or has not been applicable, with the result that the persons did not have the opportunity of artisan training but nevertheless do the work of artisans.)

An artisan who is an instructor in a workshop, or who is a leading or chargehand or a foreman, should be entered in Section 2 under the appropriate trade.

The following artisans, however, must be included in Section 1 viz, artisans whose primary duties are associated with sales work—as salesmen—those who are works managers, or who hold administrative office—as works managers or administrative workers and artisans who are instructors in training institutions—as instructors. Leading hands and foremen who are not artisans must be included in Section 1.

4. Please enter the totals of Sections 1, 2 and 3 in Section 4.

5. Employees must be entered throughout this form according to the occupation in which they spend most of their working time and employers must be entered in the occupation where they spend most of their service time. This also applies to owners working in their own firms.

6. With present vacancies is meant the number of additional workers to whom you will be able to afford immediate employment in the different occupations on 24 April 1987. Any labour shortages that you may anticipate as a consequence of proposed expansion, must not be shown in the "present vacancies" column.

7. In the last column the total number of expected posts, i.e. the expected personnel strength on 24 April 1988, plus the vacancies expected on 24 April 1988, should be indicated per occupation.

8. Where the abbreviation n.e.c. is mentioned in the form it denotes "not elsewhere classified".

AFDELING—1—SECTION

Vul asseblief alle werknemers met uitsondering van ambagsmanne en vakleerlinge in hierdie afdeling in
Please enter all employees except artisans and apprentices in this section
