

DECLARATION & UNDERTAKINGS BY APPLICANT

1. I have read and understood the Directions for Applicants. The information I have supplied is complete and true. If any of it is found to be incomplete, false or misleading the university may cancel any offer made, or my registration.
2. If I am a minor, my admission to the University is subject to the consent of my parent/guardian.
3. I undertake to abide by the rules of the University.
4. I hold myself responsible for the payment of all fees and other charges due and payable by me to the University for all courses for which I register. If I am in arrears, I will be liable to pay interest at the rate of 1.25% per month from due date until date of payment and I will be liable for all costs of recovery, including fees charged by attorneys on the scale as between attorney and client and collection commission. I understand that payments received will be allocated to clear unpaid interest first, followed by the

oldest debt. If I inform the Registrar in writing by the date prescribed in the rules of the University that I do not propose to return for the second term, I will not have to pay the second term's fees. I understand that if I am a non-South African student who qualifies for local fees, the minimum initial payment of academic and residence fees must be made prior to registration.

5. I hereby waive all claims against the University for any damages or loss suffered while I am, or as a consequence of my being, a student of the University, for damage to any property belonging to me or any other person, howsoever such damage or loss is caused, including but not limited through the negligence of the University or any official, employee or representative of the University.

I or my estate hereby indemnifies the University against any claims by any person arising in any way as stated above or in respect of my own negligent or willful acts or omissions.
