## RESEARCH QUESTIONS

We are planning to revise our undergraduate admissions policy. Before we do this, we need information to help us to improve the policy. We invite you to participate in the process by providing the requested information. Please note that your answers in this section (Section K) will NOT be used in admission decisions for 2012/2013 and your name will not be linked to your answers. **SECTION L****DECLARATION & UNDERTAKINGS BY APPLICANT**

1. I have read and understood the *UG Directions for Applicants*. The information I have supplied is complete and true. If any of it is found to be incomplete, false or misleading the University may cancel any offer made, or my registration.
2. If I am a minor, my admission to the University has the consent of my parent/guardian.
3. I undertake to abide by the rules of the University.
4. I hold myself responsible for the payment of all fees and charges due and payable by me to the University for all courses for which I register. If I am in arrears, I will be liable to pay interest at the rate of 1% per month from due date until date of payment and I will be liable for all costs of recovery, including fees charged by attorneys on the scale as between attorney and client and collection commission. I understand that payments received will be allocated to clear unpaid interest first, followed by the oldest debt. If I do not inform the Registrar in writing of withdrawal from studies or a course by the prescribed date(s) I will be liable for full fees even if I do not make use of UCT facilities. I understand that if I am a non-South African student who qualifies for local fees, the minimum initial payment of academic and residence fees must be made prior to registration.
5. I accept, agree and understand that: UCT may keep and process my data and documents in electronic format, including the personal data supplied by me in this application form; UCT may obtain, process and retain results of my examinations relevant for making an admissions decision direct from the examining authority; UCT may use and transfer such data and use such documents in electronic or other formats for UCT purposes consistent with UCT's relationship with me as an applicant and, if admitted, as a student and former student including submission of data for the National Learner Record database and other returns as required by the Department of Higher Education; that UCT places records of qualifiers and academic records in the public domain; and that UCT may use electronically generated documents in place of originals supplied by me.
6. I hereby waive all claims against the University for any damages or loss suffered while I am, or as a consequence of my being, a student of the University, for damage to any property belonging to me or any other person, howsoever such damage or loss is caused, including but not limited through the negligence of the University or any official, employee or representative of the University.
7. I indemnify, or my estate hereby indemnifies, the University against any claims by any person arising in any way as stated above or in respect of my own negligent or willful acts or omissions.

If you are under 18, your parent/legal guardian must sign in the space provided. If you are 18 or older and your parent/legal guardian will be paying your fees, your parent/legal guardian must sign in the space provided below.
