Director, Centre for Social Science Research, UCT

SUBJECT: Research Ethics Review

RESEARCH: Comparative National Elections Project: South Africa Post Election Survey 2015

REFERENCE: CSSR 2015/01

DATE: 23<sup>rd</sup> January 2015

Dear Bob

The CSSR Research Ethics Committee reviewed your proposed research. The three members of the Committee raised various concerns, which were forwarded to you yesterday. You have addressed these concerns (in your email this morning), and all three members of the REC have recorded their satisfaction with your response.

Because I am involved in this research, I myself was not part of the Committee for this review.

*Jeremy Seekings.*
