Open Educational Resources Differentiation Project

Dear respondents

The Research on Open Educational Resources for Development (ROER4D.ORG - [website](http://www.roer4d.org)) program seeks to understand the adoption and impact of Open Educational Resources (OER) across the Global South, in South America, Sub-Saharan Africa and South East Asia. It is funded by the International Development Research Centre (IDRC) in Canada.

You have been invited to participate in this research survey because you are a current or potential user/creator of OER in the higher education sector. Your participation is voluntary. If you decide to participate in this survey, you may withdraw at any time. If you decide not to participate, or if you withdraw, you will not be penalized in any way.

The survey will take approximately 25 minutes.

Thank you for your time,

José Dutra - University of São Paulo - Brazil

Judith Pete - Tangaza College of Catholic University of Eastern Africa - Kenya

Daryono - Teburka University - Indonesia

If you have any questions, please contact Prof. Dutra (dutra@usp.br) at the University of Sao Paulo, Brazil.
