intro1	My name is [enumerator] and I am calling from the Southern African Labour Development Research Unit at the University of Cape Town in South Africa. Last year we interviewed you in Zimbabwe. We would like to follow up on how things have been with you over the past year.													
intro2	KEY POINT: CONFIDENTIAL SURVEY FOR ACADEMIC RESEARCH PASSED BY UCT ETHICS COMMITTEE. We would like to ask you a couple of questions. The research project has been approved by the University of Cape Town Ethics committee. The objective of the survey is to build a profile of workers in Zimbabwean over time.													
intro3	KEY POINT: VOLUNTARY. The questionnaire will take approximately 10 minutes to complete. Your participation in this research is voluntary. You can choose to withdraw from the research at any time. You also do not need to answer a particular question if you do not wish to.													
intro4	KEY POINT: NO KNOWN DANGERS OR RISKS. There are no known risks or dangers to you associated with this study. The researchers will not attempt to identify you with the responses to your questionnaire, or to name you as a participant in the study, nor will they facilitate anyone else's doing so. All responses will be confidential and used for the purposes of research only. Should you have any queries regarding the research project, the principle researcher, Professor Lawrence Edwards, is available to contact you. His details are: -----.
