

2015 Informal owner electronic questionnaire

Field	Question	Answer
generated_note_name_2	KEY POINT: CONFIDENTIAL SURVEY FOR ACADEMIC RESEARCH PASSED BY UCT ETHICS COMMITTEE. On behalf of the Southern Africa Labour-Development Research Unit and the Zimbabwe Economic and Policy Research Unit, I would like to ask you to take part in a short confidential survey. The objective of the survey is to build a profile of workers in Zimbabwean manufacturing firms. We wish to use this information for academic research.	
generated_note_name_3	KEY POINT: VOLUNTARY. You are one of 300 firms chosen entirely by chance. The remainder of this questionnaire will take approximately 10 minutes to complete. Your participation in this research is voluntary. You can choose to withdraw from the research at any time. You also do not need to answer a particular question if you do not wish to.	
generated_note_name_4	KEY POINT: NO KNOWN DANGERS OR RISKS. There are no known risks or dangers to you associated with this study. The researchers will not attempt to identify you with the responses to your questionnaire, or to name you as a participant in the study, nor will they facilitate anyone else's doing so. All responses will be confidential and used for the purposes of research only.	
generated_note_name_5	For your time we may offer you a small telephone credit between 2 and 7 dollars at the end of the interview.	
signature	Please sign if you are willing to participate	
location	Location	
firmid	GPS coordinates can only be collected when outside. Firm ID	
enid	Enumerator ID	
name	Respondent's name (Surname first)	
contact_no1	Contact number	
contact_no2	Alternative contact number (if you have more than one number)	
address	Address	
travel_to_work	How do you travel to work? [multiple answers allowed]	1 Walk 2 Bike 3 Taxi or bus (public) 4 Taxi or bus (company) 5 Car (other employee's) 6 Car (own) 7 Stay on property 88 Other
travel_to_work_other	Specify	
travel_to_work_cost	Question relevant when: $\{travel_to_work\} = 88$ How much does it cost in dollars to get to work each day (one-way)?	
travel_to_work_time	Question relevant when: $\{travel_to_work\} \geq 3$ and $\{travel_to_work\} \leq 6$ How long does it take to get to work in the morning (minutes)?	
household_number	Question relevant when: $\{travel_to_work\} < 7$ How many people are in your household (including children and yourself)?	
direct_responsibility_numbers	How many people are you directly responsible for outside of your household?
