Introduction: Hello! My name is (Insert Name) and I am administering a survey for (Insert Institution) among food retailers in this city. The survey is about the demographics and opinions of the retail owners, the food retail business those owners are running, and the regulatory and business environment in which those businesses are operating. The survey will be administered to approximately 1000 food retail owners in this city and the information you give us will be kept confidential and anonymous in the final dataset. This food retailer survey is part of an international research effort and this survey is being administered in six other cities in six different countries across the globe.

Does this enterprise sell food?

Code	Label
1	Yes
2	No

If no: Thank you for your time. Goodbye!

If yes: Are you in charge or supervising of this enterprise?

Code	Label
1	Yes
2	No

If no: How can I arrange to meet with the owner of this enterprise? (Record this information in your field notebook, report the rescheduled interview to your field supervisor, and exit the form without saving).

If yes: Does this enterprise either currently have no employees or currently employ 5 or fewer employees?

Code	Label
1	Yes, the enterprise either has no employees or has 1-5 employees
2	No, the enterprise has more than 5 employees

If no: Thank you for your time. Goodbye!

If yes: You do not have to answer any questions you do not feel comfortable answering and you have the right to terminate the survey at any time. Participation in this survey will not likely provide direct benefits to you or your business but we hope that the reports produced from this survey will help to inform policy makers in this city. We have assessed this survey as having minimal risks, although you may experience some discomfort with some of questions included in this survey. As a reminder, you do not have to answer any question that you do not wish to answer. We will be collecting contact information in case we need to double-check to make sure we accurately recorded your answers to this survey but this information will be destroyed at the end of the survey so that no one will be able to identify you in the final data set. The interview should last about 45 minutes. Are you willing to participate?

Code	Label
1	Yes
2	No

If yes: Thank you for participating in this survey!

If no: Just to reiterate, your answers will be incredibly useful and provide you with a means of sharing your story and participating in important research on the food system in your city. Your answers will also be kept completely confidential and anonymous. Are you willing to participate?

Code	Label
1	Yes
2	No

If yes: Thank you for participating in this survey!

If no: It is very important to us to hear your views, is there another time during which we could schedule this interview that would be more convenient for you?

Code	Label
1	Yes
2	No

If yes: Thank you for participating in this survey! When would be a good time for us to have this interview? (Record this information in your field notebook, report the rescheduled interview to your field supervisor, and exit the form without saving).
